March 2019

Dear Pastor, Mission Coordinator, and Missions Committee,

Greetings from Budapest, Hungary and Madrid, Spain! We would like to take this opportunity to communicate with you on behalf of Free Methodist International Missionaries from Brazil, Eduardo and Cindi Angelo.

Over the past 20 years Eduardo and Cindi have served with Free Methodist World Missions in Lisbon, Portugal. During that time, they have been actively involved in holistic ministry with Brazilian immigrants, native Portuguese, and other groups at every level of society. They have established churches, trained pastors and church leaders, written books and conducted seminars. They have ministered to the widows and orphans, to single mothers and the destitute. They have commissioned missionaries and ministered abroad in Portuguese speaking countries such as Sao Tome and Principe, Angola, and Brazil. They have faithfully proclaimed the Gospel of Jesus Christ.

The Angelos have been some of the most effective Free Methodist missionaries working in Europe. But we are faced with a God-sized challenge: Their support network in the U.S. is still in its infancy. In March they received only 55% of their needed monthly support. So we are seeking others who will pray and partner with the Angelos. Please consider prayerfully taking on this wonderful and effective family as a part of your World Mission Support Strategy.

So how are they surviving? Unfortunately, their only option at present is to depend on credit cards. This is not a good solution.

We are coming to you on the Angelos' behalf, asking if your church would engage with the Angelos' ministry in Portugal and commit to supporting them on a regular basis? We know of no better and cost-effective investment in Free Methodist missionary efforts.

Visit <http://fmcusa.org/fmmissions/eduardo-and-cindi-angelo/> to download the Angelos' monthly e-mail newsletter, videos, and a bulletin insert. This page also contains giving and commitment links, as well as their e-mail addresses.

It is our prayer that your church will join together with others to sustain the ministry of Eduardo and Cindi Angelo

Please do not hesitate to contact us with any questions that you may have.

Sincerely,
