Dear Conference Ministerial Candidate:

Welcome to your CMC journey!

Some of you come to this journey with significant education and ministry experience. Others come with a new sense of call but little training. Wherever you are on this ministry journey, we walk it with you.

Over the next few years, we will continue to help you discern and define your calling. We want to see you prepared for your call, theologically, practically, and personally. Our hope is that this is simply the beginning of a life-long process of learning and growing, as you become more like Jesus, and become more skilled in the practical aspects of ministry.

This workbook will help you keep track of your growth. But your CMC journey is more than a workbook or checklist. It is a journey in community with others in Genesis. When you have a question or need some help, reach out to one of your mentors. We pray and journey with you!

*Pam Braman
Superintendent, Genesis Conference*

Contained in this workbook:

Section 1: Head

Section 2: Heart

Section 3: Hands

Section 4: Mental Health Assessment

Please note: These are not chronological. All sections should be worked on throughout your CMC process.

Head

*You are in error because you do not know the Scriptures or the power of God.
- Jesus, Mt. 22:29 (NIV)*

We want all of our clergy to be people who know, understand, love, and follow the Scriptures. We expect those being ordained to be able to explain and interpret them intelligently, holistically, and in a manner consistent with our Wesleyan-Holiness theology.

Section 1: Head

People called to ministry are to be “people of the Word.” Scripture is where we turn to dive into our life with God, to lead and teach others, to help them find new life and transformation in Christ. During this

CMC journey, dive in to gain knowledge of the Scriptures... also dive in to the pages of the Bible for your soul to be fed in your personal relationship with Christ. Be stretched as you submit to the Word as you study and read.

“Do your best to present yourself to God as one approved, a worker who does not need to be ashamed and who correctly handles the word of truth.” - 2 Timothy 2:15 NIV

The academic courses we require before ordination are a start. We trust that these courses will launch or continue a thirst for handling well the Word of God.

Additional Coursework needed (from MEG/ MEG mentor):

Heart

For physical training is of some value, but godliness has value for all things, holding promise for both the present life and the life to come. - Paul to Timothy, 1 Timothy 4:8 (NIV)

Healthy ministry requires spiritual formation that leads to a deepening of relationship between you and God and you and others. We believe this is best done in community.

Because of this, Genesis hosts CMC Cohorts, and also has CMCs create and follow formation plans.

CMCs will meet on a regular basis with:

- _ The CMC mentor leader and a cohort of other CMCs (monthly video conferencing)
- _ A local mentor (usually lead pastor)
- _ Annually: meet w/ Conference Director of Ministerial Candidates who oversees individual formation plans as well as cohorts.
- _ Annually: interview with the MEG board in the fall.

Spiritual Practices:

There are many spiritual practices that grow our souls deeper into the heart of God. For those in ministry these practices are vital. Our desire is for all CMCs to experience these disciplines so that they become life-long practices for spiritual health and growth.

Each year, choose three to learn about and practice. In three years time, you should cover nine.

_____Prayer

_____Fasting

_____Meditation on Scripture

_____Study of Scripture

Outward:

_____Simplicity

_____Solitude

_____Submission

_____Service

Corporate:

_____Confession (to others)

_____Worship

_____Celebration (Cultivating Gratitude)*

**From Richard Foster's book Celebration of Discipline*

Need to learn more about spiritual practices or healthy life rhythms? Request the Genesis Lab course: **Rhythm Lab**.

Personal & Relational Health:

Do you have healthy, honest friendships? Are they growing in depth, love, honesty?

If married, is your relationship with your spouse growing closer? Are you both growing in your walk with the Lord?

“But the fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness and self-control.”
Galatians 5:22-23 NIV

Are you becoming more loving? Joyful? Peace-filled? Patient? Kind? Good? Faithful? Gentle? Self-controlled? Would those closest to you agree?

Section 3: Hands

Hands

Be strong and courageous, because you will lead these people to inherit the land I swore to their ancestors to give them. - Joshua 1:6

For even the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many. - Jesus, in Mark 10:43-35 (NIV)

Hands-on practical training and experience is vital in ministry preparation. CMCs are trained in the practical areas of ministry through:

- *Elevate Leadership - The Genesis Coaching Network*. CMCs will join Genesis Pastors for leadership coaching and training.
- *Leadership Experiences* - part of each CMCs journey is to lead something in the church with the oversight of a coach.
- *Preaching Coaching* - While we recognize that not all ordained ministry requires preaching, we want to ensure that all are prepared in a hands-on, practical manner. Preaching opportunities will be given to CMCs as they progress in their studies.
- *Practical Training* - Additional training or practical experience is required to move the CMC towards competency in:
 - *Pastoral Care / Dealing with Crisis
 - *Church Admin / Conflict - Resolution
 - *Evangelism / Outreach / Church Planting
 - *Ministerial Ethics / Ministry to those unlike me
 - *Pastoral Self-Care / Spiritual Practices
 - *Preaching Practicum

Fruitful ministry in these areas may be substituted for the training.

Leadership Experiences:

Each year, your leadership capacity should be growing. Below list your primary leadership responsibilities for each year you are a CMC:

<u>Leadership Responsibilities</u>	<u>Reflection</u>
Journal on these questions:	

Year 1:	*What have I learned about myself through these? *What have I learned about God through these?
---------	---

Year 2:	*What have I learned about myself through these? *What have I learned about God through these?
---------	---

Year 3:	*What have I learned about myself through these? *What have I learned about God through these?
---------	---

Year 4:	*What have I learned about myself through these? *What have I learned about God through these?
---------	---

Year 5:	*What have I learned about myself through these? *What have I learned about God through these?
---------	---

For each of these opportunities, who are the people giving you honest feedback? What are they telling you are your servant-leadership strengths? Weaknesses?

Preaching Experiences:

While we recognize that not all ordained ministry requires preaching, we want to ensure that all are prepared in a hands-on, practical manner. Each year, each CMC needs to make two preaching videos (cell-phone quality, nothing fancy). The CMC needs to preach 10 minutes (or more), in front of people (it could be a gathered group of friends, youth, camp, class, or a church open to them). Videos will be evaluated by preaching coaches as well as at least two people who heard the message live. The CMC will also complete a self-evaluation.
