New CAP Civil Air Patrol 2nd Lt Linda Vecchiarelli

Hey Rex it's **Linda Vecchiarelli**. Just wanted to give you an update. It's been a very busy summer, I attended the CAP Chaplains Corps College @ USAFA in Early June, completed my Aircrew Mission Scanner, Airborne Photographer, and became the 1st DAART Operator for the Colorado Wing while attending NESA at Camp Atterbury in Indiana where I spent 18 days and completed 28 sorties, and served as Mission Staff Assist. and Missions Radio Operator. I also served the Air Force personnel who attended our First Pilot Training. Since I returned home I have flown 20 SAREX Mission Flights & received my appointment as a CDI Character Development Instructor from Major **General Smith** and our Chief of Chaplains, **Charles Sattgast**. I received a

promotion to 2nd Lt. in early July, and now serve as our squadron's Aircrew Mentor Trainer. ALL BY HIS GRACE.

Chaplain **Don Deighton** is going on his second decade of ministry to the above major hospital in Toledo Ohio. His partner in service, Chaplain **Lucinda Miller** has moved this year to serve Ohio State U Wexner Medical Center.

This is a flash back to June 2017 when our Chap training event was at Lake Junaluska, NC. **Dan Hummer** (good name for a musician) yours truly, **Howard Lehman**, and **Vic Toney** spontaneously struck up a make-shift quartet after our Thursday evening Chapel worship service. Simple hymns and gospel songs come from the heart and the words are not difficult in Jesus Loves Me (and you), and How Great Thou (God) Art. We were pleased no one stopped us.

This is our Chaplain Booth at Orlando in July. Over 2000 people had an opportunity to learn new things about Free Methodist Chaplaincy. CH CPT **Pan** is a Hospital Clinician at Fort Hood TX; **Shari Turner** is an author and Chaplain in the field of recovery and restoration ministry.
